

Cassils Wettstein Asia Fund

Tides Canada Foundation

The **Cassils Wettstein Asia Fund** (“**CW Asia Fund**”) is a “donor-advised fund” at Tides Canada Foundation, created (by the Cassils and Wettstein families) to facilitate fundraising activities in Canada for charitable initiatives in Asia.

The **CW Asia Fund** aims to bring positive social change to needy children and their families by reducing poverty through education, healthcare, improved nutrition and sustainable agriculture. The fund was created to focus on children and their families where the need is the greatest. By bringing hope to the future and encouraging long term sustainability **CW Asia Fund** will reduce poverty one child at a time. **CW Asia Fund** supports the work of experienced and established existing local organizations to achieve these objectives.

TIDES Canada Foundation is a national public foundation whose mission is to create partnerships with Canadian donors and charitable organizations to grow and organize resources for social change and environmental sustainability. TIDES Canada Foundation facilitates innovative and effective grant-making programs, fosters opportunities for learning and builds community among donors and grantees.

We invite donors wishing to invest in the reduction of poverty and the future of children to provide their support by giving generously to the **Cassils Wettstein Asia Fund**:
